ABOUT ME

An enthusiastic and detail-oriented second-year Computer Science and Engineering student with a strong foundation in frontend development and user interface design. Having recently completed a hands-on industry internship in frontend application development, I am eager to apply my skills in practical environments. Passionate about continuous learning, I am actively expanding my knowledge in core programming languages like Python, Java, and C++ to build impactful software solutions.

EDUCATION

College of Engineering and Management Punnapra (CEMP) | 2024 – 2028

Degree: Bachelor of Technology (B.Tech) in Computer Science & Engineering

Current Status: Second-Year Student (Batch A)

EXPERIENCE & INTERNSHIPS

NeST Digital Academy | Frontend Application Development Intern | January 2026

- Participated in an intensive Industry Immersion Program focusing on building responsive user interfaces.
- Gained practical, hands-on experience utilizing the Angular framework for frontend application structure.
- Collaborated on modern web development workflows, strengthening core HTML, CSS, and component-based design concepts.

TECHNICAL & CREATIVE SKILLS

- Programming Languages: Python (Basic), C++ (Basic), Java (Basic), HTML & CSS
- Frameworks & Libraries: Angular (Basic), Bootstrap
- Design & UI/UX: Figma, Canva, UI/UX Design Fundamentals
- Soft Skills: Team Collaboration, Creative Problem Solving, Quick Learner

EXTRACURRICULAR ACTIVITIES & WORKSHOPS

- National Cadet Corps (NCC): Active Cadet participating in disciplined team activities, leadership training, and physical fitness events.
- Technical Events: Participated in competitive events and hackathons including TinkHerHack 3.0, Useless Projects 2.0, and TCS CodeVita Season 13 to challenge and enhance coding capabilities.
- Innovation: Attended the IEDC Summit in Kozhikode to connect with industry trends and entrepreneurial methodologies.
